

Marcus Whitman Update

May 21st, 2021

5/28 No School (Snow Make Up Day)
5/31 No School (Memorial Day)
6/15 Last Day of School (12:30 dismissal)

COVID-19 Reminders

***For the remainder of the school year, RSD will continue to follow the same guidelines. All quarantine, mask wearing, and distancing protocols remain in place.**

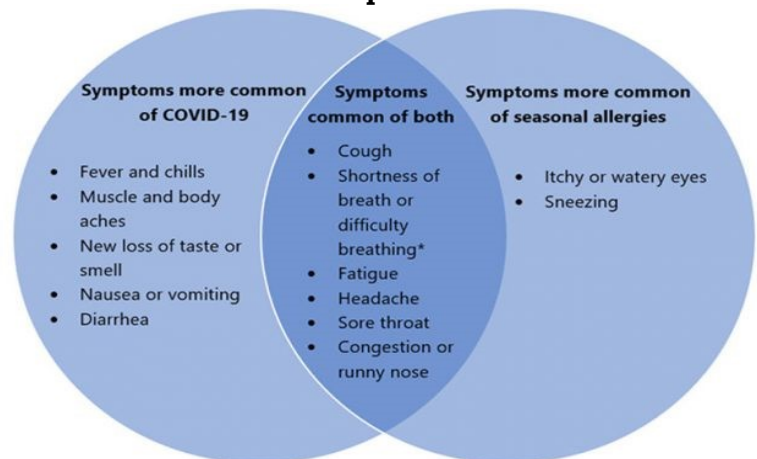

***If you have any questions or your child/someone in your household tests positive, please email our school nurse, Rebecca Baldwin**

Rebecca.Baldwin@rsd.edu

****Please note that you will be notified if your student is a close contact of a positive case while at school.**

* COVID-19 and seasonal allergies share many symptoms, but there are some key differences between the two. For example, COVID-19 can cause fever, which is not a common symptom of seasonal allergies. The image below compares symptoms caused by allergies and COVID-19.

Because some of the symptoms of COVID-19 and seasonal allergies are similar, it may be difficult to tell the difference between them, and you may need to get a test to confirm your diagnosis.

****Older Siblings Picking Up our Mustangs****

Please remind your middle/high school student who may be picking up siblings or waiting with friends who have siblings to be respectful while on MWE property. We have had lots of trash being left behind, spilled food, and students without masks on. Thank you for partnering with us to keep Marcus safe and beautiful.

If you have a child that will be 5 years old by August 31st, REGISTER them NOW online at www.rsd.edu
